

Important Health Plan Information

March 2022

Dear Fallon Health Member,

Last Spring, Fallon Health announced that they would discontinue offering commercial health plans including plans currently offered to GIC members. As a result of Fallon Health's announcement, the GIC will no longer be able to offer Fallon Health plans - Fallon Health Direct Care and Select Care - after June 30, 2022.

- Your current Fallon Health plan coverage will remain in place through June 30, 2022.
- For health coverage effective July 1, 2022, we strongly encourage you to review your benefit options and **choose a new GIC health plan during GIC's Annual Enrollment**, April 6th through May 4th, 2022. For information regarding your benefit options and monthly premiums, please refer to GIC's Benefits Decision Guides on mass.gov/GIC.
- Select a New GIC Health Plan:
 - Active employees, please visit MyGICLink, GIC's Member Benefits Portal, at bit.ly/MyGICLinkLogin. Please see mass.gov/MyGICLink for more information.
 - Retirees, please visit bit.ly/MyGICLinkOnlineForms to complete the "GIC Retiree/Survivor Enrollment Change (Form-RS)".

Please Note:

If you do not select a new health plan by May 4, 2022, the GIC will automatically enroll you in the UniCare PLUS health plan effective July 1, 2022. Please review your GIC benefit decision guide at mass.gov/GIC to ensure that this plan meets all of your needs.

If you choose not to enroll in a GIC health plan, for coverage effective July 1, 2022, please visit the corresponding links above to update your enrollment status during GIC's Annual Enrollment period.

Thank you,
Group Insurance Commission
